## FJC Antwerpen: High Risk team on site

- Police and justice on site: restraining orders, custody of perpetrators, safe houses for controlled parental visiting,..
- The risk assessment during the intake is an important instrument to go into the depth of the situation and the possible aftermaths of the disclosure
- Strong and intensive case management aiming at empowerment of victims
- All information needed to ensure the victim's safety is shared
- Multidisciplinary approach with joined responsibility shared by all organisations on board
- No non-binding commitments
- Committed involvement of perpetrator work

## Kern van deze aanpak

Ketensamenwerking staat voorop!

1. Eerst werken aan directe veiligheid
2. Daarna aanpakken van de oorzaken
3. Dan werken aan herstel

Ondersteuning en volgen van gezin in de tijd die nodig is om duurzaam herstel te bereiken!
